

Performance Review and Assistance Program (PRAP)

BWSR Grant Profile

February 3, 2016

Grant Description

The Performance Review and Assistance Program (PRAP) grants are available to agencies within BWSR's local government unit (LGU) delivery system—240 Soil and Water Conservation Districts, Watershed Districts, Water Management Organizations, and Counties—that desire to improve their performance or operational effectiveness. The need-based grants are intended to assist partners with organizational improvement and can include activities such as staff capacity assessment, strategic planning, conflict resolution, and reorganization. Grants are made on a cost-share basis.

Reporting Overview

A workplan is not required with this grant. However, expenses and actual results should be entered in eLINK. Payments are made on a reimbursement basis.
